## And 3 Special Prizes

We had an idea that no entirely correct answers would be received to our Missing Word Puzzle of last Saturday. While we got a great many bright answers, still, there was none that was exactly right. The series of puzzles we are now running is the work of some particularly clever people, and though there are lots of clever people in El Paso and surrounding territory, still, that bunch of puzzlemakers is pretty hard to equal. Our Puzzle Committee has pronounced the following to be the winners, awards being based on the nearest correct solutions and the originality of the definition.

### The Winners Are:

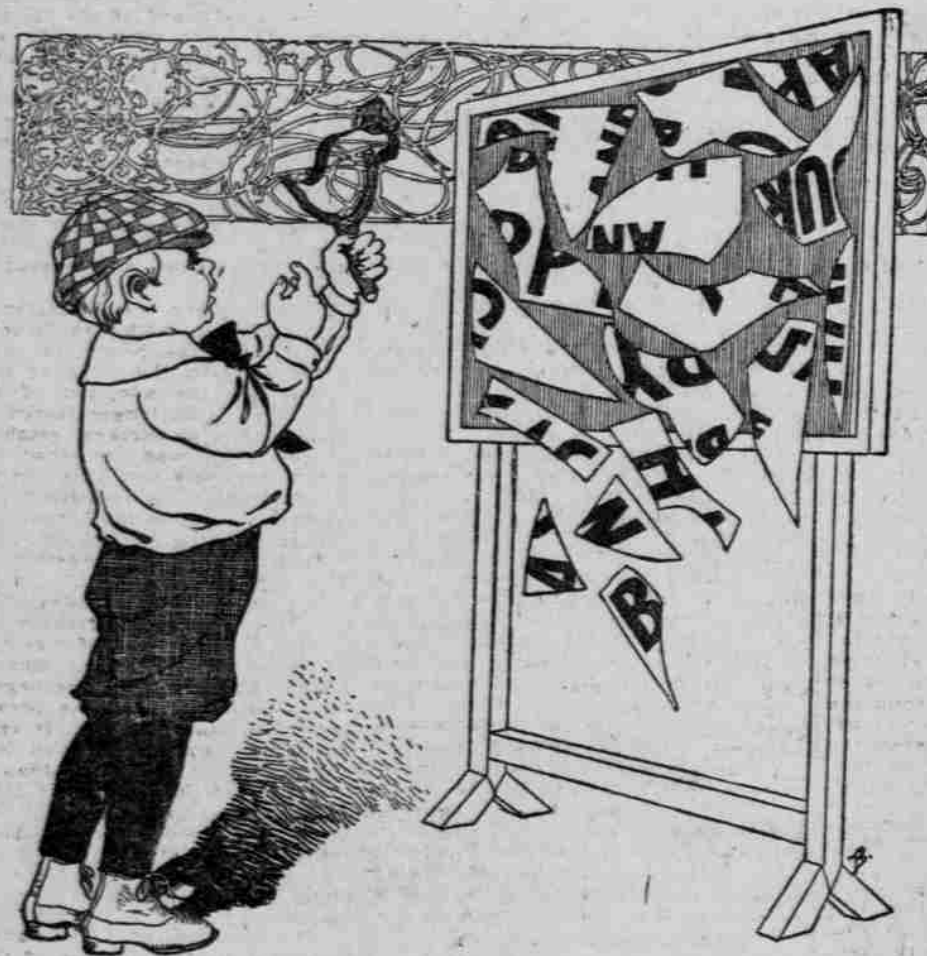

Norwell Rand Slosson, 1020 N. Oregon St., wins the First Prize of \$2.00.

### The 50c Prizes Are Won by:

Mrs. E. L. Young, 807 N. St. Vrain St.  
Miss Carmen Province, 1214 E. Boulevard.  
Marion Powell, 2617 Wyoming St.  
Miss Birdie Krupp, 717 N. Kansas St.

Winners will please call at the office of the El Paso Gas & Electric Co., in the Bassett Bldg.

**ADDITIONAL PRIZES THIS WEEK**—In addition to the \$2.00 1st Prize, \$1.00 2nd Prize and four 50c Prizes—totaling \$5.00—we add three special prizes. McCullough's Confectionery will award a special prize of a 2-pound box of "McCullough's El Paso-Made Candy." Manager Winch will give 5 paid admissions to the Crystal Theater and 5 to the Wigwam Theater.

## The Answer to the Puzzle Was

Tries to spin round in a whirl;  
She nips a hole in her clothes,  
And pins it so nobody knows.

## The Puzzle Picture This Week

To even things up and make amends for giving you such a hard picture last Saturday, the one today is comparatively easy. This El Paso boy has succeeded in fracturing a most interesting sign, and we ask Herald readers to put it together for us.

### Rules of the Contest

Every Herald reader is entitled to send in an answer. You are asked to cut out lettering, paste in proper order, then write us—we prefer that you use a postal card—how it reads. In addition, you are asked to give us, in as few words as possible, your opinion of "Gas For Lighting Purposes." Awards will be based on correctness of solution to puzzle and merit of opinion. Send or bring your answer to this office before 5 o'clock Wednesday afternoon, Nov. 2nd.

**SPECIAL NOTE**—All answers mailed must be addressed to "Puzzle Dept., El Paso Gas & Electric Co., Bassett Bldg."
